

DIALOGUE AND FACILITATION SEMINAR

SEEDS OF PEACE

4-7 MAY, 2018

We are looking for a diverse group of dynamic students (aged 14-17) with demonstrated leadership potential and a passion for enacting social change and community action.

As a participant in this intensive and intimate dialogue and facilitation seminar, you will:

- Build community with students from diverse backgrounds
- Engage in dialogue on topics relevant to your lived experience in the UK like religion, race, economic and educational disparity, gender, and other sources of conflict and tension present in British society
- Participate in fun and meaningful team-building activities
- Develop skills to facilitate your own dialogues

TUITION: £850 *This covers the full cost of our program, including food and lodging from Friday evening to Monday afternoon, and travel to and from the program site. Need-based scholarships are available.*
